How Clinicians Shape Community Narratives on HIV and COVID

Friday, March 3rd, 2023
12pm - 1pm EST

As part of GW's 8th Annual Diversity Summit, we present a free CME-bearing moderated discussion with **Oni Blackstock, MD**, founder and Executive Director of Health Justice. She is a primary care and HIV physician and is recognized as a thought leader and influencer in the areas of HIV and health equity.
